Sir:

With reference to Govt. order No. H. 1872-3 dated 28th January 1904 received with yours No. H. 1053/509 of 23.8.04 directing that the marginally noted objection statements from the Comptroller to the Government of Mysore ought to be replied to immediately and the fact reported together with explanations for the delay from all concerned, I have the honor to state that the objection statements referred to were all replied to during February 1904 on dates noted opposite to them.

| 22. | — do — | 13.2.04 |
| 24 | 30.7.03 | 25.2.04 |

2. I regret that as the matter pertains to a period nearly a year back no adequate reason for the delay can now be made out except perhaps the fact that the Accountant who was attending to the work of answering objections had been deputed on other duty for a long time from November 1903 and that prior to that, the work in the Treasury had to proceed at rather a slow rate owing to pressure of work induced by the annual accounts and the work of inspecting Taluk Treasuries. A further disadvantage which the Treasury Department was labouring under during that period was that some hands new to [illegible] had to be entertained in place of the experienced ones who were transferred to other departments and that in consequence the general working of the Treasury was retarded for some time till the new hands became sufficiently conversant with their work.

3. Necessary warning has however been given to the Treasury Department to avoid recurrence of such delays.

I have the honor to be
Sir
Your most obedient Servant-

[illegible]
Deputy Commissioner
Kolaba District
